Govt may get the Nanjangud chathram repaired at Govt cost

A printed copy of Go. of March 1906 has been forwarded to the Committee by the Amildar. Attention is respectfully invited to Para 6 of this order—

It is said in the Proceedings of the Committee that the Munzrai Dept have undertaken to repair the Nanjangud chathram; that it is a matter for regret that though 5 years have elapsed, nothing has been done; that Govt should get the repairs executed soon and that there is no reason why the Committee should spare funds for this purpose. The Secretary has submitted a copy of the Pro with the request that the work of repair may be taken on hand at an early date

Bommarazas charities refused to spare any money from out of their funds as they were stated to be required for executing some work to the charities themselves. The Kunchigars' chattram committee have refused to add on the chattram to the Brahmin chattram which in this case can spare the amt for the repairs of the former. The question has in these circumstances to be probably dropped, unless govt can spare the amt from the state grant of 12-13. or subsequent years.

The Kumchigars chattram at Vanjicupam is reported to be in a neglected condition and that a case of plague also have occurred therein.

The Committee are neither willing themselves to keep the chattram in a good condition nor do they want it to be repaired from the funds of the Brahmin Annachattram at Vanjicupam where the want of accomodation for bona fide travellers is keenly felt.

It is not known why the suggestion of Govt to influence the persons concerned and to acquire the building was not taken into consideration.

Forwards a copy of the Mutchalika as called for.

In the Mutchalika, the income is estimated at Rs 482 and provision for expenditure of the said sum, made. (Rs 103 being provided for repairs of the buildings). The income of Rs 276 therein taken account as the probable annual rent from shops to be built from the compensation amount to be received for certain lands proposed to be acquired by the Mysore Municipality for a burial ground could not be got as the shops had not been constructed.

From the Govt order Nº 2024-5 dated 29th May 1909 it is seen that the annual income was only Rs 195-8-0 and the expenditure sanctioned according to a scale was Rs 181-0-0

From the papers in this office it is seen that a sum of Rs 1582 was sanctioned by for constructing shops in front of Bommiah's Chattram at Santepet, Mysore City, and also for Chattram repairs.

Of enquiring whether the income has since improved and whether the cost of repairing the Chattram at Nanjangud may be met from these funds, is subb.

From,

A. Subrahmanya Iyer Esquire, B.A.,
Deputy Commissioner, Mysore District.

To,

K.A. Sreenivasa Iyengar Esquire, M.A.,
Secretary to the Government of Mysore
General and Revenue Departments

Sir,

With reference to your docket no: 794/Annex 198-06 of the 2nd September 1913 calling for further information in the matter of the repairs to the Kunchigar's Chattram at Nanjangud, I have the honor to state that when Government passed orders in May 1906 in the matter of taking over under

Government management certain properties left by Hottê Rangamah and others, there was no Committee appointed. When Government called for a report regarding the income and expenditure of the Bommiah's Chattram in Santê peh Mysore it was suggested in this office letter No. 318 dated 5. 3. 1909 that Dharmadarsis be appointed to look after the income and expenditure of the charities but the Government were pleased to order that the charities should entrusted to a Committee

that

Can be depended upon to take interest in the work under the general supervision of the Mysore Taluk Amildar and a Committee consisting of 7 persons was appointed for the purpose. (Vide Government order No. 2024-57 annx. 75-07 dated 29.5.1909). Thus it may be seen that the appointment of the Committee referred to in this office letter No. 8 dated 3.7.1912 was subsequent to the Government order of May 1906

Again when it was proposed to add on the Kunn Chatter

at Nanjangud to the Brahman Chattram at the place Government have in their letter no: 320/Ann 64-1892 dated 26th November 1908 requested that the views of Hatti Rangannah and others might be ascertained and reported in the matter. They have accordingly when Consulted given their opinion that it should not be added on to the Brahmin Chattram but be left under their management.

The Copy of the muchalika will be submitted on receipt of the file of records Court

Said Amrchalika from the Amildars of Mysore Talik.

The Connected records received with your docket under reply are herewith returned.

It will be seen therefrom that the Dharma darsees are not in favor of Contributing

in question, as the receipts of this charitable institution, Bommiya's Chawdries, from the rent of the Shops forming a portion of the Chattram building at Santhepet in the Mysore city have to be utilized towards the construction of the shops and other urgent repairs that are to be executed to Bommiah's chattram.

The institution gets an annual net income of Rs 50/- from the lands endowed to it and Rs 145-8-0 from the rent of shops i.e Rs 195-8-0 in all, of which a sum of Rs 181/- has been set apart for Expenditure as sanctioned in Govt Order No 2024-5 2nd-75-57 dated 29-5-1909.
